Symmetry

Which of these shapes are symmetrical? Show how you know.

Teacher Notes

Attribute Sorting

Materials Needed:

- ✓ Attribute blocks (bagged by color)
- ✓ Attribute Sorting Check List

Teacher Directions:

1. Give the child a bag of attribute blocks that are all the same color.
2. Ask the child to sort the blocks. Record how he/she sorted them.
3. Ask the child to sort them another way. Record.
4. Continue until the child cannot find any more ways to sort the blocks.

Attribute Sorting Checklist

Sorted By Single Attribute:

- Size
- Shape
- Thickness

Sorted by Two Attributes:

- Size and Shape
- Size and Thickness
- Shape and Thickness

- Sorted other ways (explain their sort).

- The child was unable to sort the blocks by any method.

Make It Bigger

Using only square pattern blocks, make a larger square. Using only triangle pattern blocks, make a larger triangle.

Teachers: Make paper pattern block shapes for students to glue in place to show their work.
