

Name: _____

Date: 11/19/08

Observational Sketch:

Observations: It is 39 inches it has
centimeter's on the one side,
It has 100 centimeter's on
on the other side to.

Questions I'm Wondering About:

How tall is a dinosaur? How tall
am I? How tall is a tree?
Am I 100 centimeter's tall? How
long is the earth all around?
